ANATOMY OF A VARSITY BURGER

BURGER BUNS

Our signature burger buns are made fresh daily for us by Little Home Bakery using a secret recipe exclusive to Varsity. Nice and fluffy but still robust enough to hold up to even the juiciest burger.

VEGETABLES

We use only the freshest vegetables sourced from local growers within Western Australia to guarantee only the highest quality product leaves our kitchen.

MEATS

Our signature beef burgers are made for us by Ryan's Quality Meats using a blend exclusive to Varsity. Made with 100% Stirling Ranges Beef grown locally in Western Australia. Always fresh, never frozen or vacuum packed.

SAUCES

Our sauces are all made in house using recipes we've perfected over time to ensure the same taste and consistency is produced every time.

At Varsity, we're proud to support the WA community. By using local growers and producers we can make sure that everything we use in the kitchen is fresh and of the highest quality. It also means that when you eat at Varsity, you're supporting WA.
